Welcome to RESULTS!

RESULTS is a movement of passionate, committed, everyday people. Together, we use our voices to influence political decisions that will bring an end to poverty.

Our Anti-Oppression Values

The logo for RESULTS, featuring the word "results" in white lowercase letters on a red speech bubble background.

Poverty cannot end while oppression exists. We commit to opposing all forms of oppression, including racism, classism, colonialism, white saviorism, sexism, homophobia, transphobia, ableism, xenophobia, and religious discrimination.

At RESULTS we pledge to create space for all voices, including those of us who are currently experiencing poverty. We will address oppressive behavior in our interactions, families, communities, work, and world. Our strength is rooted in our diversity of experiences, not in our assumptions.

With unearned privilege comes the responsibility to act so the burden to educate and change doesn't fall solely on those experiencing oppression. When we miss the mark on our values, we will acknowledge our mistake, seek forgiveness, learn, and work together as a community to pursue equity.

There are no saviors — only partners, advocates, and allies. We agree to help make the RESULTS movement a respectful, inclusive space.

RESULTS Believes...

The logo for RESULTS, featuring the word "results" in white lowercase letters inside a red speech bubble shape.

- The end of poverty is possible and achievable. Political will is lacking.
- **Poverty is driven by oppression.** RESULTS opposes all forms of oppression.
- Government has an important role to play in ending poverty. Elected officials work for us. We need to supervise them.
- Poverty is not partisan.
- Nobody should be denied their basic rights to healthcare, education, or economic opportunity.

We must take action now.

Education

Achieving a world where everyone experiences the power of a great education regardless of where they are born.

Economic Opportunity

Increase economic mobility and ensure people have access to economic opportunity in their community.

Health and Nutrition

Putting an end to the leading preventable killers across the world and improving access to nutrition and health care.

Why Congress?

The government makes decisions about EVERYTHING

Taxes | Investments | Voting | Services

Yet, many people don't know who represents them in Congress. Many will never contact their member of Congress or hold them accountable to their decisions.

*They won't listen
to me?*

*Government is
CORRUPT.*

*They don't care
about me.*

**What's holding
you back?**

*I don't even
know where to
start.*

*I'll sound / look
stupid ...*

~~RESULTS Advocates Influence Congress~~

Members of Congress make decisions **EVERY. SINGLE. DAY.** that impact the lives of millions of people here in the US and across the world.

*I'm very busy..
This sounds like ..
A lot ...*
