

RESULTS New Advocate Checklist

Welcome to RESULTS! We are so glad you are here. Use this checklist to help you get started volunteering with RESULTS and into action fighting poverty.

- Learn the basic skills you need to be a powerful advocate by using the **New Advocate Training** tool on the RESULTS website: <https://results.org/orientation-and-advocacy-training/>
- Read the **Global Weekly Updates** that are issued every Tuesday via email and find them online at: <https://results.org/volunteers/weekly-updates/>
- Attend a **National Webinar** or listen to a past recording: www.results.org/volunteers/national-webinars
- Take action using the **Action Center**: www.results.org/volunteers/action-center
- Look through the different **grassroots volunteer roles** and start to get an idea of what you might be interested in doing within your group
- Join the **RESULTS Volunteers Facebook group**: <https://www.facebook.com/groups/RESULTSVolunteers> (optional)
- **Stay calm!** Most volunteers come to RESULTS with little or no advocacy experience. It is normal to feel nervous and you will learn everything with time.

Check-in with Your Group Leader on the Following:

- **Relationships** the chapter has with your members of congress
- What **roles does the group need to fill** and where can you plug in
- Upcoming group **meeting dates and schedule**
- Ask who the other **new advocates** are in the group so you can buddy up!
- Any other **questions** you may have about RESULTS!
