1	9/14/2014 12:00:00 AM Allegation 1	TF [REDACTED]	9/14/2014	S//REL USA, FVEY	Northern IZ	A review of FMV from a RECOIL feed revealed unknown individuals moving into a target area during a strike on PID ISIL fighters under SROE 001.	Unknown	09/14/14: TF conducted inquiry.	9/14/2014	TF [REDACTED]	9/14/2014	No CIVCAS determined. TF reviewed FMV and spoke to local Peshmerga forces operating on the ground in the area. The Peshmerga forces reported that all individuals engaged were ISIL forces. FMV did not definitively indicate that the unk individuals were struck by recoil.			
2	9/28/2014 12:00:00 AM Allegation 2	Open Sources	9/23/2014	S//REL USA, FVEY	Idlib, SY	Syrian Observatory for Human Rights reported that civilians were killed and wounded during US strikes conducted into Syria. 4/1/2015: The SNHR alleges that an international warplane targeting ANF weapons storage warehouses, caused the collapse of a residence nearby, killing 13.	Unknown	9/23/2014: A review of BDA imagery did not credibly determine that civilians were present at the site. Open source images presented as casualties from the strikes actually came from previous GoS strikes.							
3	10/6/2014 8:00:00 AM Allegation 3	Open Sources	10/5/2014	S//REL USA, FVEY	IWO Hit, IZ	Iraqi news sources reported that several civilians were killed and wounded in a described US airstrike in the village of Hit	Unknown	10/06/2014: CCJA JOC reviewed all strike reports IVO Hit between 1 OCT 14 to 6 OCT 14. No strikes IVO Hit struck any civilian structures. All strikes IVO Hit during the potential DTG were conducted against either PID ISIL fighters or equipment, to include vehicles. All strikes IVO Hit during the potential DTG were observed by CC JOC personnel on ISR feeds.							
4	10/9/2014 7:51:00 AM Allegation 4	CFACC	10/8/2014	S//REL USA, FVEY	20 nm W of Ramadi, IZ	On reviewing WSV from [REDACTED] AUS F18F) following a strike on an ISIL checkpoint to the West of Ramadi [REDACTED] GBU 12 10ms delay it was apparent that a truck entered the target area between weapon release and impact. [REDACTED] as covering the strike.	Unknown	10/9/14 7:51: LIMDIS Email Subject: 5Ws - Potential CIVCAS in Iraq 8 Oct w/ BDA PHASE ONE REPORT_TIMELINE_OF EVENTS.PDF sent from [REDACTED] to MG Garrett, Maj Gen Wilsbach [REDACTED]	No further inquiry required due to a review of FMV.

5	10/15/2014 12:00:00 AM Allegation 5	Open Sources	10/15/2014	S//REL USA, FVEY-	Kobani, SY	Open sources reported that an 87 year old woman was killed during a dynamic strike IVO Kobani, and that two main hospitals were destroyed by US bombing.	1	10/17/14: TF conducted an initial credibility determination on both allegations.	10/17/2014	TF- INTL	10/17/2014	Neither allegation credible. No CIVCAS determined. Since 29 SEP 14, no women or children have been observed by TF IVO Kobani. No reporting or intel supports the death of the 87 year old civilian from US airstrikes. Information provided by the YPG on the ground indicates that the woman alleged killed was executed by ISIL forces, and that the reported source of the report was not in Kobani at the time of the report. IRT the hospital, TF ID'd 3 hospitals IVO Kobani. None have been targeted. The closest target struck was approximately 100 m away		
6	10/16/2014 12:00:00 AM Allegation 6	Open Sources	10/17/2014	S//REL USA, FVEY-	Khasham, Deir el Zoir(DeZ) SY	Open sources reported that seven civilians were killed during a deliberate strike on the oil distribution center at Khasham. Initial allegation reported by SOHR. 4/1/2015: DOS provided a report from the SNHR alleging that 3 civilians were reportedly killed during the strike.	Unknown - 7 reported	10/19/2014: CAOC conducted a deliberate strike on 16 OCT 14 on the Barghooth Crude Oil Collection Point.	10/19/2014	CFACC	10/19/2014	Insufficient evidence to determine CIVCAS. CFACC reviewed WSV. INTEL determined that the location was under strict ISIL control. the target was validated through the JTCB. Crews reported they did not observe any personnel on their targeting pod prior to weapon release. Given the limited video analysis available the CFACC assesses there is insufficient information to make a characterization. Intermittent visual contact with the ground showed no personnel present in the target area.

7	10/17/2014 12:00:00 AM Allegation 7	Open Sources	10/8/2014	SECRET//REL USA, FVEY	Mosul, IZ	A reporter alleged there may have been CIVCAS on a strike conducted on several vehicles in Mosul, IZ on a list of 7 alleged CIVCAS allegations he was tracking. An internet search for open source information turned up nothing, but the allegation corresponds with a strike conducted by TF on 8 October 2014.	Unknown	<p>10/24/2014: JOC JA confirmed with JOC Chief, and CCJ3-O that no operational reports were received about alleged CIVCAS from this strike.</p> <p>10/25/14: JOC JA spoke to [REDACTED] She confirmed that TF had received no reports of alleged CIVCAS arising from this strike. Note: TF has previously self-reported one potential CIVCAS incident, and conducted credibility determinations on two allegations.</p>	No further inquiry required.					
8	10/29/2014 12:00:00 AM Allegation 8	Open sources	10/28/2014	SECRET//REL FVEY	NE of Raqa, SY	CCJ2 received a report on OCT 28 through the webops report that coalition forces had caused CIVCAS on a strike on some grain silos 52 KM NE of Raqa in a village, Slook, that does not come up on Google Earth.	unknown	<p>10/29/2014: Reviewed the dynamic strikes for Syria on 28 OCT. The only strike that corresponded with the report was a strike on a tank about 70 km N of Raqa. Review of the aircrew's video showed that the strike, conducted with [REDACTED] AGM 114, struck the target. No civilians were present on the video either pre- or post-strike. An initial review of a strike during the initial deliberate strikes in Syria prior to 29 September on the area IVO grain silos in Idlib had already been conducted, determined not to have been CIVCAS.</p>	No further inquiry required.

9	11/6/2014 2:00:00 AM Allegation 9	Open Source (CCwebOps and Reuters)	11/5/2014	SECRET//REL FVEY	Harem, SY	CCWEBOPS received social media reports that civilians were killed or injured during a strike on a named objective in Syria. Photos were posted of dead children alleged to have been killed in the strike.	unknown	11/6/2014: TF nominated the target. CFACC carried out the strike. CFACC conducted the initial assessment (11 NOV 14). 25 NOV 14. Received two reports through DOS with associated photographs and video, and a SNHR report on CIVCAS. 24 NOV 14. Received videos and photographic analysis of strike. 25 NOV 14. Received an email from CENTCOM USAID LNO containing email statements from a member of the NGO GOAL and some associated photographs. Addresses allegation 9 and allegation 10.	11/6/2014 12/10/2014	CFACC CITF	11/11/2014	CFACC initially assessed that there was insufficient information to conclude whether the alleged CIVCAS allegations are credible. CFACC was unable to assess whether civilians were co-located with the targeted KG NAIs. After additional information was received, CITF was tasked with conducting an additional credibility assessment based on the new information. 12/31/2014. JTF assessed this allegation that a child was killed during the strike as potentially credible.		AR 15-6 Investigation appointed 8 JAN 15 with a Suspense of 22 JAN 15.
10	11/5/2014 12:00:00 AM Allegation 10	USAID	11/5/2014	SECRET//REL FVEY	Harem, SY	USAID reported that three USAID-related workers had been wounded during a strike in Northeast Syria, IVO Harem.	3	11/6/2014: Information correlates to the strike described above. 11/11/2014. CFACC conducted a credibility assessment. 11/12/2014. 25 NOV 14. Received an email from CENTCOM USAID LNO containing email statements from a member of the NGO GOAL and some associated photographs. Related to allegation 11.	11/6/2014 12/10/2014	CFACC CITF	11/11/2014	12/31/2014. CITF assessed the allegation that two NGO (GOAL) workers were injured as potentially credible.		AR 15-6 Investigation appointed 8 JAN 15 with a Suspense of 22 JAN 15. 17 MAR 15. Still waiting for signed investigation.
11	11/13/2014 Allegation 11	Open Source	11/5/2014	SECRET//REL FVEY	DeZ Oil Collection Point, SY	Open source video indicated that three civilians were killed in a deliberate strike on an oil collection point in DeZ.	3	11/13/2014: Review could not determine that the video came from the strike in DeZ. Although there was a US strike on the oil collection site, the target was validated through the JTBC. Targeting was mitigated-it was a night strike on a specific target where NCV was assessed as 0, with mitigated weapons effects. WSV cleared target. There was no way to determine authenticity of the allegation.	No further inquiry required.

Allegation	Color Code:	White	Allegation Cleared	Gray	Allegation is undergoing credibility review				Amber			Allegation is under investigation				
16	12/21/2014 12:00:00 AM Allegation 16	CAOC	12/21/2014	SECRET//REL FVEY	12 nm SE of Tabqa Airfield, (F-16 US) conducted re-attack using GBU-54 on an ISIL fighter fleeing from the Strike 1422 checkpoint engagement. This re-attack resulted in 1x building damaged, 1x EKIA, and 2x nearby pax possibly injured.	At 0020Z 22 DEC 14, [redacted]	12/22/2014: CAOC conducting review IAW CENTCOM policy.	12/22/2014	CAOC	12/24/2014	Credible. CMD Directed Investigation ongoing (AF equivalent of an AR 15-6); appt authority is CFACC.	Completed by CAOC. Forwarded on 2 MAR 15. CJTF provided notice to LTG Terry. Need EXSUM from CAOC.				
17	12/26/2014 0855Z Allegation 17	CAOC	12/25/2014	S//REL FVEY	5 KM NE of Fallujah, IZ	CAOC reported that on 0855Z 26 DEC 14, while conducting dynamic coalition airstrikes on ISIL fighters and technical vehicles, [redacted] (NLD F-16AM) may have unintentionally struck two unidentified persons on motorcycles who entered the target area during the strikes.	2	12/26/2014: Initial RPT recd via JOC. JTF made the credibility determination. 1/7/2015. CAOC confirmed the Dutch LNO was notified. CAOC is confirming whether NLD will conduct their own national investigation.	12/27/2014	CJTF	12/27/2014	Credible. JTF directed an investigation to be conducted.	12/21/2014; NLD LNO notified by CAOC.	Findings and recommendations completed by IO. No CIVCAS found due to the Dutch using ball ammo versus HE rounds. Waiting for signed 1574 from LTG Terry.		
18	12/26/2014 12:00:00 AM Allegation 18	Open Source (WebOps)	12/26/2014	UNCLASS	Aleppo, SY	[redacted]	unknown	12/26/2014. Report received via webops. Confirming no coalition strikes IVO Aleppo City during relevant time period.	12/30/2014	No further inquiry required.						
19	12/27/2014 Allegation 19	CAOC	12/21/2014	S//REL FVEY	Fallujah, IZ	Two unknown individuals may have been wounded as a result of a deliberate strike conducted by theustralians on a suspected weapons factory in Fallujah.	1 female, 1 child	12/25/2014: From the initial report-A deliberate strike involving Aus aircraft was conducted on a suspected ISIL weapons factory in Fallujah. Approximately 10 minutes after the last weapon impact, a probable female and probable child were observed on FMV to walk through the target area. A probable male arrived and carried the child to a motorcycle and transported him to the Fallujah hospital. The female walked to the median strip on the road and lay down, and was not observed any further.	12/26/2014	CAOC	12/27/2014	Assessed to be insufficient information to determine CIVCAS. The lack of urgency and fact that the child walked apparently normally suggest his injuries were not life threatening. There was no Iraqi allegations of CIVCAS and CAOC recommends that there is insufficient information to warrant further inquiry. Australia used the materials resulting from the initial credibility assessment directed in the CENTCOM CIVCAS guidance and reached a similar conclusion.	12/21/2014, AUS LNO notified by CAOC.
