Form 990 - Organization's Mission

Team Rubicon unites the skills and experiences of military veterans with medical professionals to rapidly deploy emergency response teams into crisis situations.

Team Rubicon's vision is a new paradigm in disaster response that recognizes and harnesses the skills of military veterans, offering them a chance to continue their service by helping and empowering those afflicted by disasters, and also themselves.

Team Rubicon realizes that many of today's veterans are exiting the military only to find that they are not 'whole;' meaning that their civilian lives lack some of the positive benefits that were provided by the military. Team Rubicon, by providing veterans with a new mission, new purpose, new community and new opportunity, can improve the mental and emotional health of veterans, thereby making their transition to civilian life easier. Once this happens, the veteran becomes a tremendous national asset, capable of having a positive influence in his or her community; and abroad as ambassadors of American goodwill.

Team Rubicon addresses two significant problems facing both the United

States and the world, by using each to solve the other. The first problem
is an outmoded disaster response paradigm that lacks innovation, efficiency
and speed. The second problem is a deluge of military veterans struggling
to return to normal civilian life after ten years of war. Team Rubicon has
identified that disasters present many of the same issues found on the
battlefield - horrific sights, sounds and smells, coupled with unstable
populations and limited resources. Team Rubicon also discovered that

were well prepared to respond to a natural disaster. Quite unexpectedly,

Team Rubicon later discovered that this continued service in disaster zones
helps veterans nearly as much as the aid the victims.

Through continued service, Team Rubicon is addressing challenges that
veterans face after separating from the military. There are currently 2.2
million veterans who volunteered to service in Iraq and Afghanistan (the
longest war in U.S. history). These veterans are coming home after
multiple tours to find a broken economy, with few ways to translate their
military skills into meaningful employment. With an overwhelmed Veterans
Administration, many service members are left suffering from post traumatic
stress disorder (PTSD) and traumatic brain injury (TBI) without adequate
treatment.

military veterans with skills cultivated on the battlefield - coordinated

teamwork, decisive leadership, risk mitigation and emergency medicine -

Team Rubicon's approach to disaster response, which capitalizes on veterans' skills and willingness to serve, is a viable alternative to the status quo.

Form 990, Part I, Line 6

Volunteers provide time and efforts for assistance in field operations.

Benefits provided are stipends for meals and travel expenses.

Form 990, Part III, Line 4d - All Other Accomplishment

Team Rubicon provided humanitarian and conventional aid responses within and outside USA borders.
